### **Recognition of Students' Attainment in CCA**

Students are recognised for their holistic development in their CCA through the LEAPS 2.0 framework. Students will be recognised with levels of attainment in four domains: Participation, Achievement, Leadership and Service. The co-curricular attainment and relevant records act as testimonials and evidence of a student's holistic development in lifelong competencies and character formation. For students in the 4-year SEC (O-Level) programme, the co-curricular attainment may be converted to bonus point(s) which can be used for admission to post-secondary institutions. For more details on LEAPS 2.0, please refer to:
